Data privacy statement

Protecting your personal data is matter of priority to us, which is why we comply strictly with the data protection laws. Naturally, we do not sell or pass on your personal data to third parties without your consent. With this statement, we would like to inform you about which data we collect and how we use it.

1. Collection and processing of data

Whenever our home page is visited and whenever a file is accessed on our server, data relating to this event is saved in a log file. The following data is logged:

- Name of accessed file
- Date and time of access
- Transferred data volume
- Notification as to whether access was successful
- If applicable, notification as to why access has failed
- Name of your Internet service provider
- If applicable, your PC's operating system and browser software
- The website you are visiting us from

We evaluate the data for statistical purposes to enable us to continually improve our offering. In addition, we also log the IP addresses used to access our website. Other personal data is only recorded if you communicate it to us yourself.

2. Cookies

This website uses cookies to enable certain functions and a user-oriented and smooth navigation. Cookies are small text files that are stored on your computer by your browser. However, cookies do not install programs on your computer, nor do they contain viruses or cause any damage whatsoever. You have the option to block cookies in your browser settings, which may however affect your ability to use our website.

3. Use and transfer of personal data

All collected personal data is processed and used only for the purpose of providing the services you order and of processing of your requests.

Your personal data will only be passed on or transmitted to third parties, if this is necessary to process the order or you expressly consented thereto beforehand. You may withdraw such consent with effect for the future at any time either by post or by sending an e-mail to info@MaxFrank.de.

4. Right of access

If you wish to obtain information on your logged personal data, please contact us in writing.

5. Use of data for advertising

We would of course like to use your data to inform you about our products and services, but only if you agree. We would therefore be pleased if you execute and return the following declaration of consent.

6. Consent to advertising and market research

I consent to the collected data being saved and used for sending advertising addressed to me by post and for market research purposes.

If you do not wish to give your consent, please remove the cross by clicking on it

I hereby declare that I consent to the collected data being saved and used for sending advertising addressed to me by e-mail or text message.

If you wish to give your consent, please click on this box.

You may withdraw your consent with effect for the future at any time either by post or by sending an e-mail to info@MaxFrank.de.
